WEST BOUNTIFUL HONORS JACKIE MILLER

On occasion there comes into your life a person that makes a difference... Jackie Miller was one of these. She had a keen sense of humor and warmth which made you feel comfortable within minutes of meeting her. Your problems became her problems. Your interests became her interests. Your joys became her joys. Everyone was welcome in her beautiful historic home to visit.

Anita Winegar, Jackie's neighbor and friend said, "Jackie was a member of the Historic Commission from the day it was organized and was very instrumental in the formation of the Historic District. One of her most significant contributions to the community was the historical timeline that she and Lucille Martin created. It has been displayed on several occasions. She loved West Bountiful and was always active in community affairs. What a great lady! I knew her from birth and she was always a gracious, beautiful soul." Jackie cared deeply about the preservation of the history of West Bountiful City. Her loss will be deeply felt. The following is a portion of her obituary:

Jacqueline (Jackie) Maxine Brown Miller passed April 30th at her home after a second recurrence of cancer.

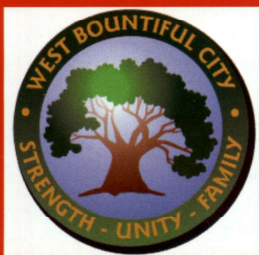

Jackie was born to Helen Hackett Brown and Vernon Chapin Brown of Woods Cross. She faced the passing of her father when she was 9 and the loss of her sister Marilyn Brown Hanson in 1965. She was raised in the "little white house on the corner" and never strayed far from her roots. Living in "the rock house on Chase Lane" in Centerville and eventually in one of the Eldredge Brothers homes on Onion Street, Jackie always lived in Utah. Although traveling regularly, her heart was in West Bountiful.

After graduating from Bountiful High School, she spent her early years working for the phone company as an operator, married Darwin Anderson (divorced), and worked at the Salt Lake City and County Building where she made lifelong friends. She married Michael Miller (divorced), gained two stepchildren, Robert Drew Miller and Nicole Miller Freeman, whom she adored, and raised her three children with unconditional love.

She was active in the PTA in her children's school years and always involved in her community. Jackie loved West Bountiful and was a member of various committees including the Historic Preservation Commission where she helped shape the city's historic district. A favorite staff member at the Davis County South Branch Library in Bountiful, Jackie always had a recommendation as to a "good read." Always with an opinion of how it should be, she was not shy about her dedication to the Democratic Party.

Jackie was a bright and beautiful woman and she will be missed greatly by those who loved and knew her. She is survived by her brother Thomas Brown, her fiancée and her 'duckie' of over twenty years Bill Morrison, and the children that she lived her life for, her daughter Brighton Helen Miller and two sons, Michael Cannon Miller (Lisa), and Matthew Chapin Miller.

Let us advance with keen minds and sensitive hearts. Let us go forth with hope and strength. May we proclaim the power of life's meaning with deeds of justice, with bonds of friendship, and with words of true praise for the wonders that there are.

JERRY CHAPMAN- WB 2012 Grand Marshal

Jerry married his high school sweetheart, Joan Parkin on March 4, 1955. Together they raised 4 children and the family has grown to 11 grand children and 15 great grand children.

Jerry served two years in the U.S. Army where he was stationed at Hill Air Force Base in Ogden Utah. He continued working at the base until he retired with 37.5 years of service.

Jerry and Joan lived in Bountiful until they moved to make their home in West Bountiful in 1972. Their home is listed on the Historical Directory.

He is active with the Bountiful Historical Committee. He was monumental in moving the Historical Daniel Woods Cabin from 5th South in West Bountiful to the WB City Park, where he is currently the cabin's caretaker.

Jerry is active in the LDS Church and has served in many leadership positions, including bishoprics. Currently he is working as an Ordinance worker in the Bountiful Temple and has been since the Temple opened in 1994.

He loves gardening and grows a lot of wonderful vegetables and amazing fruit from his trees. If you pass his home on any other day, but this July 4th, you may find him working in his yard or garden. Be sure to give him a wave. Jerry can often be spotted riding around town on his motorcycle. On July 4th you can give him a wave as he will be honored as this year's Grand Marshal.

West Bountiful's Got Talent

Wednesday, July 4, 2012

11:30 a.m. - City Park Park Bowery

As is our July tradition, instead of a concert on the second Friday of the month, the Arts Council will host "West Bountiful's Got Talent" entertainment at the bowery as part of the Independence Day celebration on Wednesday, July 4 this year. The program will begin after the parade at 11:30 a.m. with **"The Golden Years Senior Citizens Jazz Band,"** and at noon, we will be treated to a traditional performance by the **West Bountiful Elementary Children's Choir.** The entertainment will continue in the cool shade of the bowery until 2 p.m. with performances by **Cami Olson's Cloggers,** a half hour of magic and illusion by cowboy poet and entertainer **Craig Dransfield,** and will end with **Doug Vandegrift** and **Andy Leger's Puppet Mania** featuring Kermit the Frog and other well known characters.

Come join us for this year's movie, *Down and Derby*, in the West Bountiful City Park.

Movie in the Park Event

Friday, August 10, 2012

About 9 p.m. - West Bountiful City Park

We hope you will join us in August at the West Bountiful City Park with your family and friends for the **annual outdoor movie** shown on a big portable screen. This year's movie will be ***Down and Derby***, a family comedy about a bunch of dads and a small town Pinewood Derby competition. It is "the most enjoyable live action family film since *Holes*" according to the *St. Louis Post-Dispatch*.

The movie start time is about 9 p.m. when it starts to get dark. Don't forget your blankets, and lawn chairs.

Founder's Day Celebration: Mike Leger in Concert

Friday, September 14, 2012

7 p.m. - City Hall

In September, we'll be back at city hall celebrating the "founding" of West Bountiful. This year the Arts Council is delighted to feature multi-talented arts council member **Mike Leger** singing and playing his guitar. We have heard Mike perform with the fabulous "Endless Summer Band," and we see him at every concert managing the sound system, making other performers sound good. You won't want to miss what will be a stellar performance by Mike as he treats us to the music he loves. In addition, we will hear an additional stanza or two of the Founder's Day narrative written by another arts council member, **Eric Eastman**, our poet extraordinaire.

YOUR HEALTH IS YOUR MOST VALUABLE ASSET, which is why making sure that you are covered in the event that you get ill or need healthcare is of the utmost importance. You never know when you will get sick, get into an accident or need medical assistance; and if you are uninsured or underinsured, you could end up spending a great deal of money, depending on the type of healthcare you need. This could lead to financial stress and sometimes, even bankruptcy.

PEACE OF MIND. Having a health insurance policy in place in the event of an illness or injury requiring medical care can protect your assets. There are many plan options and carriers available to choose from. Which Doctor do you use? If you were hospitalized, what hospital would you choose? What benefits are important to you? These are questions a good Licensed Health Agent should be asking you to determine what will best meet your needs. I can help! Put 30 years of local experience, honesty and integrity to work for you and call today for a no cost or obligation consultation.
